

# Realm

Aaahhh Moaned Dave, rolling around in the snow holding his face in agony. My eyes they feel like theyre on fire groaned Tom, placing his face in the snow trying to cool it down and get the pain to go away. Both men rolled around in the snow holding their faces, moaning and groaning in excruciating pain. Devastated by the sudden flash of light that suddenly engulfed them. Grabbing handfuls of snow and placing it on their faces. Trying to ease the pain and find relief. Finally the snow started to cool and soothe the burning sensation of their face and eyes. Aint it now both of us blind as a bat with nowhere to run and no way to see to get their now what are we going to do Ask Dain, turning his head toward the sound of Toms voice and grabbing another handful of snow. I dont know I guess well just sit here and wait for someone to come and rescue us Replies Tom, laying back in the snow and grabbing another handful of snow and putting it on his face.

**Realm Mobile Database** At Realm, our mission is to help developers build better apps faster.
