

A Thuggish, Ruggish Love 2

For there is nothing hidden that will not be disclosed, and nothing concealed that will not be known or brought out into the open. - Luke 8:17, NIV

When Mackie, Xavier, Blaze and Aleah all met up in the same place at the same time it was explosive. Nobody knew how their lives were intertwined. The result left Xavier fighting for his life. With Xavier unconscious and not able to point his finger at the shooter, detectives begin their investigation into who shot him? Aleah is falling in love fast and hard. Shes never been a part of anything close to resembling street life but for a chance at love shes willing to ride or die for Blaze. Mackie has been thrown for a loop with Xavier being shot. She seeks the comfort of her best friend since childhood as she tries to come to terms with what shes done. Diesel has always been team Mackie. He wants to carry her away from the only life that she has ever known. With several obstacles in their way, will they be able to avoid the demons that are chasing them? Blaze has spent his entire life protecting his little sister. As Mackies sins are trying to catch up with her, he continues to put his life on the line to keep her safe. But with the Feds hot on his tail, he must decide if he is willing to continue to put Mackie first or accept a life that includes being locked up. Keyas stress level is through the roof. When she finds out Aleahs role in Xavier being shot she comes unglued. Their sisterly bond is stretched to the point of popping. As the anticipation builds surrounding these lives, find out if Xavier is given a lease on life; if Blaze and Aleah can build a life together; if Mackie is able to leave the game behind; and if Keya can find it in her heart to forgive.
