

That Which Destroys Me

A beautiful, enchanting story of love, happiness*Record needle scratches across vinyl* Im just f==king with you. Love, happiness, and fairy tales Yeah, they dont live here anymore. The only things residing amongst these thin and baren walls are Dominance, submission, and twisted obsession. Stella gets knocked down over and over throughout her life Though she is bloodied and battered she stands back up every single time, smirks and nods before asking, That all you got?. Wesley has shoved his way through the rich life with both middle fingers up. Hes also shoved his way through half of the socialite population, but all that vanilla lifestyle has left him a starved man. He knows he cant keep his Dom fed with kinky little masochistic vanillas anymore. On his mission to find the perfect sub, Wesley stumbles across a broken, shattered angel, only to find when she comes up swinging, that this little angel knows how to fight. He wants to be the one who breaks her But its not a question of who breaks her, the question is who destroys her. We will fight, angel. Well fight hard. But itll be worth every strike below the belt. Every hateful or spiteful word said, because when we love, when we fuck, when our passion reaches an intensity so goddamn powerful like it has every single time, itll extinguish all the bad. I want all your hate, Stell Just as much as I want all your love. We are doing this. And there isnt a damn thing you can do to stop it, angel. Is that understood? ***Be Prepared to Expect the UNEXPECTED*** ***This is a story of perseverance, trying to overcome the transgressions that others inflict upon you, its a story of love gone wrong and obsession gone mad. This book contains explicit descriptions of violence, disturbing situations, and very strong language. This book is intended for MATURE AUDIENCE MEMBERS ONLY, and NOT intended for the weak at heart.***
