

Rick Cantelli, P.I. (Rick Cantelli, P.I. Detectives Book 1)

Ex Navy SEAL Rick Cantelli and CIA Counterintelligence Agent Lois Madigan form Madigan & Cantelli Security and Investigations. After twenty successful years, Ricks old high school girlfriend shows up to turn their world upside down. Suddenly, theyre back killing bad guys, facing down mobsters, and escorting movie stars. They were a deadly team in their CIA years, and they prove theyre just as deadly now. Wow! Take a peek into the world of Rick Cantelli, and you wont be able to wait for more. The book is filled with action, and you will love Cantellis sense of humor. As you read about his daily life...troubles...and job, you will wonder where he goes from here. A fantastic book, that you will try to read in one sitting. The pages fly by as you enjoy reading every single word....there is not a single sentence in this book that will bore you.
