

Dead Or Alive: A short story of THE STRIKER FILES

This story is also contained in the collection THE STRIKER FILES, which is currently on sale for \$0.99! Things are slow at private detective Rick Strikers office. Hes just making ends meet with the same old cases. When another missing persons case walks through the door, Rick is grateful - these types of cases are usually easy money and hes good at them. And this one looks really easy. It looks like the girl might not really even be missing. Hell be lucky to be able to put in enough time earn out his retainer. But things are different than they look, and hes drawn into a world that is very strange to him - and becomes stranger with each passing hour he spends on the case. A 7800 word short story for Kindle, with a brief authors note.
