

Road Trip with the Eligible Bachelor (Mills & Boon Cherish)

The beginning of a very long journey together? Quinn Laverty and her young sons are planning to start a new life on the other side of the country! With her family abandoning her, and her ex choosing wealth and privilege over fatherhood, her boys are all she's got. But when an airline strike interferes with her plans, Quinn finds herself taking the car and up-and-coming (not to mention seriously gorgeous!) politician Aidan Fairhall to Sydney. And trapped together on a weeklong road trip, opposites Quinn and Aidan begin the most unexpected and life-changing journey of their lives.
