

## Selected Poems

Acclaimed by Forster and Pound, for Yeats the poet whose poetry stirred my blood as nothing has for years, Tagore was and remains India's greatest writer this century. Prolific and innovative as a poet, novelist, dramatist, musician and painter, he was also a leading figure in the Nationalist movement, an intimate of Gandhi, a vastly influential educationalist and philosopher and a luminary in world culture. William Radices selections and translations from the Bengali reintroduce Tagore to a new generation of Western readers.
