

Rubicon: A Short Story Collection

Decisions can be dangerous. In worlds where mages, assassins, and usurpers run rampant, your next move might be your last. This fantasy short story collection contains three tales of characters whose fates are forever altered by passing a point of no return: *The Unclean* (3,200 words), *The Gods Eye* (5,000 words), and *Wayward Scribe* (2,700 words). *The Unclean* won third place in the 2010 Writers Journal Fiction Contest, and *The Gods Eye* placed first the following year.
