

Russian Hill (Abby Kane FBI Thriller - Chasing Chinatown Trilogy Book 1)

In the first book of the thrilling Chasing Chinatown trilogy, a killer is loose in San Francisco, and he's collecting body parts. SFPD has no witnesses and no suspects, but FBI Agent Abby Kane believes a dead hiker found ten miles north of the city is the key to solving those crimes. The detective involved with the case thinks Abby might be chasing a ghost down a rabbit hole, but the more Abby digs, the more she begins to think the killer is playing an elaborate game and there's an audience cheering him on. In order to catch him, she must do the unthinkable: join the game.
