

Sakkara

Cairo, 1919. Egypt, choked by centuries of corruption and decay, is seething with rival factions battling to take control. For Mark Holt, heir to one of Cairo's ruling British families, it is a time of great excitement-and even greater danger. Trapped in a frightening web of espionage, royal intrigue and murder, Mark must fight for the glory of the country he knows and loves...and for the dazzling Egyptian woman he cant live without. From the decadence of King Farouks court, to the fury of Rommels desert legions, to the violent uprisings of Nasser and Sadat, Sakkara sweeps across decades filled with unforgettable daring and adventure-a story of a peoples struggle for freedom and one mans triumph against all odds.
