

Sandra Smiths Review For NCLEX-RN®

Sandra Smiths Review for NCLEX-RN, Thirteenth Edition is a comprehensive and current evidence-based RN content review. Following the latest NCLEX-RN exam blueprint, it features 2,500 NCLEX formatted practice questions with detailed answers and rationales that stimulate critical thinking. The reader-friendly approach includes a clear and concise outline format with study guidelines and test-taking strategies. It also covers all of the latest trends, evidence-based treatment guidelines, and additional updated information needed for safe clinical practice and patient care. New to this edition is an expanded emphasis on patient safety, the National Patient Safety Goals and NCLEX examination preparation, ties to QSEN competencies, and a greater focus on evidence-based clinical practice. Included with each new print book is an online Access Code for Navigate TestPrep, a dynamic and fully hosted online assessment tool offering the books questions, nearly 1,000 bonus questions, detailed rationales, and reporting.
