

The Cats Eye (World Cultural Heritage Library)

When Robert Anstey, KC happens upon a robbery and murder it is only natural that his employer, Dr. John Thorndyke, should be called in to solve the case. That it should require such a famous forensic expert is evident as the crime presents a puzzle. The objects of the theft were baubles of no intrinsic value. The one real clue soon proves worthless. It will require all of Thorndykes skill and knowledge to find the murderer, and in the process protect the life of a young woman who is the only witness. To catch the criminals he must decode a mystery a century and a half old and solve the puzzle of... The Cats Eye! This classic book was edited and published by Resurrected Press. Included in this book is a new, introductory foreword discussing the story, the times, and the influences that went into the tale, adding historical context to the book. Author biographies are also included, as are illustrations, when appropriate. These are not scanned versions of the originals, but handcrafted, quality-checked and edited books meant to be enjoyed! Resurrected Press is dedicated to bringing high quality classic books back to the readers who enjoy them.
