

## The Diary

When the two grown daughters of Elizabeth Marshall discover an old diary of their mothers in the attic, it comes as a shock to learn that the true love of Elizabeths life was not their father. But is all as it seems?Thats the mystery the two daughters must unravel as they stay up late reading the words penned by Elizabeth so long ago. Their mother cant provide the answers: After a massive stroke, she lies mute and near death in a nursing home. Only the pages of her diary can provide clues to what really happened.
