

## Tour Spectacular Sedona with Sydney

Tour Spectacular Sedona with Sydney is a tribute to the beauty of Sedona, Arizona; a pictorial tour based on a little girls exploration of the area (with her parents of course). Sydney will show you which way to take to see some of Sedonas famous rock formations up-close. See Coffeepot Rock, Courthouse Butte, Bell Rock, Cathedral Rock and many more amazing sights in this very special place! Tour Spectacular Sedona with Sydney is the first book under the America the Beautiful Collection. Future books in the collection will feature glaciers, deserts, tropical islands and other extraordinary settings, all in this great country! When children appreciate the beauty thats around them, they are going to enjoy it, cherish it, protect its integrity and the lives that thrive in it. - Marife Chastain
