

Short Stack: Story Collection

Short Stack is a collection of G. M. Frazier's short fiction. All four stories were previously published separately, and are available here for the first time in a single volume. This volume also contains a preview of the author's novel, *A Death on the Wolf*. *Brian's Wish* A poignant tale of love and devotion, *Brian's Wish* introduces us to Brian McAlester and Charles Vos, two people who would likely never meet barring extraordinary circumstances, but fate has a way of increasing the odds. Brian is an eleven-year-old in foster care who has been diagnosed with terminal cancer. Vos is a jaded billionaire businessman who established a charitable foundation that grants the wishes of dying children. Normally, his involvement in granting wishes is limited to writing a check to the foundation each year. All that changes when they receive Brian's wish. *Gerard: Le Garçon Vampire* At the age of ten, Gerard de Vigors died in the fall of 1855 at Ransom, his family's plantation just south of New Orleans. Or did he? One-hundred and fifty years later, Jack Trask, facing a death sentence from cancer, is lured by the sales pitch of an online vampire hunter and has spent a small fortune traveling around the world in search of the one being he feels can save him. Now, in the ruins of Gerard's ancestral home, Jack comes face to face with the creature he has been seeking for nearly a year. And it's not what he was expecting. *Old Joe* On an unusually warm fall night on the eve of Thanksgiving, on the banks of the Nottaway River, Glen Erskine is taking his two sons and their friend for a camp out in the long-abandoned ancestral home of the Erskine clan. When he decides to tell the boys a ghost story that was told to him as a child, Glen suddenly finds the story may be all too real. *Trick or Treat* On the night of Halloween in 1973, a child's fantasy intersects reality as two brothers make the mistake of looking for a treat at a dark

house where a lone jack-o-lantern stands watch on the porch. Reminiscent of an episode from Rod Serlings The Twilight Zone, Trick or Treat shows the power a wish can have in the powerless world of one little boy.
