

Secret Confessions of the Applewood PTA

When a Hollywood location scout comes to Applewood, Long Island, and announces that the local elementary school might make the perfect backdrop for an upcoming George Clooney movie, the PTAs decorum crumbles like a cookie from last weeks bake sale. Enter Maddie, Ruth, and Lisa, three women who become the glue that holds the project together, forging a bond of friendship stronger than anyone could imagine. And not a moment too soon, as marriage woes, old flames, and scandalously embarrassing family members threaten to tear each of them apart. Is their powerful alliance strong enough to overcome the obstacles to getting the movie made in their town? And will their friendship be enough to mend their hearts and homes? Join them as they reach for the stars ... and try to pull off a Hollywood ending of their own. At once tender and hilarious, *Secret Confessions of the Applewood PTA* is a captivating story that turns suburbia upside down ... with more humor, heartache, and heat than one PTA can hold.
