

Secret in the Mist

A picture book of magic and mystery! Jonathan has two secrets, one for the golden light of day and the other for the silvery light of the moon. Right now, they're both buried deep in the warm earth and the evening mist. But they're growing and growing and growing...as tall as the cat's proud tail, then as high as the door handle, and higher still, up to the windowsill... What could they be? The most beautiful, wonderful secrets of all! 32 pages (all in color), 8 1/2 x 10. NEW IN PAPERBACK
