

Secrets Learned (Diomhair Book 5)

Book five in the Diomhair series. What happens at Diomhair, stays there. Pleasure or pain? Mimi needs to know and Alex wants to show her. When Mimi Leman is asked to go to a Meet the Dom and chat to a sub night at her local BDSM club, little does she know what she'll find. Curious? Oh yes. Interested? She's not sure. After all, she's anti pain and a BDSM virgin. Mimi knows things will go either badly wrong or perfectly right and has no idea which. It's up to scribing artist Alex Sunderland to ensure it's the latter. He's everyone's idea of how a Dom should be, even Mimi can see that, but is he the one to show her the lifestyle? Alex is intrigued by Mimi and is sure that deep down she's the perfect sub for him. Mimi wants to be, but can she conquer her fear of pain and let herself fly? Only trying will tell.

About Raven McAllan: A multi-published author of erotic romance, Raven lives in Scotland, along with her husband and their two cats, their children having flown the nest, surrounded by beautiful scenery, which inspires a lot of the settings in her books. She is used to sharing her life with the occasional deer, red squirrel, and lost tourist, to say nothing of the scourge of Scotland, the midge. As once she is writing she is oblivious to everything else, her lovely long-suffering husband is learning to love the dust bunnies, work the Aga, and be on stand-by with a glass of wine.
