Sexy, dark Dangerous ... Do you dare? USA TODAY BESTSELLING AUTHOR Clarissa Wild brings you SEEK, a FREE prequel to the dark Romance suspense Delirious Series. When illusions come to life, how do you tell whats real? My life ended when I came back from vacation. Death was at my doorstep. Everything ceased to exist. To protect myself, I pushed the memories away. All I remember is him: Sebastian Brand, my savior. I trust only him. I am obsessed with him. But all I know about him is his name. Stuck in this mental institution, I try not to think about the terrible memories that lurk deep inside me. Sebastian is the only one who can help me forget. I dont care that they say he doesnt exist, I need Sebastian and I will find him, no matter the cost. This is a prequel to the Delirious Series. These books should be read in order. * Authors note: This series consists of 3 complete books. Not all secrets will be spilled yet in this prequel. Dont let this stop you from reading, though, because this series will be one heck of a ride. So open your mind and let me take you on a journey of delirious passion, unbendable trust, frightening illusions, dangerous secrets, shocking revelations, and disturbingly dark mind games. * WARNING: This series contains very disturbing situations, strong language, drugs and alcohol, and graphic violence.
