

## Seized (The Profiler)

Danger is all around her. What should have been a routine investigation for FBI profiler Evelyn Baine turns ominous when she's kidnapped by a dangerous cult of survivalists. As her worst nightmares become a reality, she begins to question what she's seeing. Because the longer she's inside their compound, the more she realizes this group is not what it seems to be. The next terrorist threat is right beside her. As the FBI's Hostage Rescue Team closes in, Evelyn suspects she's stumbled onto an emerging terrorist threat and a cult leader who has a score to settle with the FBI. If Hostage Rescue breaches the compound, Evelyn's dead for sure. If they don't, the cult may unleash a surprise attack that could leave the whole country shattered.
