

Senor Saint

Simon Templar is at his cavalier best in this collection of South American adventures. In Mexico, he meets an ice-cool blonde with her own Saintly ideas - and joins in the fun. In Baja California he gets caught up in a strange story of two women and a blind mans oyster bed. In Havana the Saint answers a beautiful womans plea for help and discovers a revolution that isnt quite what it claims. And finally, in Panama he plays the sucker - but it doesnt last.
