

Sense and Sensibility (Illustrated)

A work of romantic fiction, *Sense and Sensibility* is set in southwest England in 1792 through 1797, and portrays the life and loves of the Dashwood sisters, Elinor and Marianne, daughters of their father Henry's second wife, Mrs. Dashwood. The sisters are starkly different from each other; Elinor is the epitome of prudence and self-control while Marianne embodies emotion and enthusiasm.
