

Surrender to You

An illicit affair ignites just as a nation threatens to fall apart. Beneath her demure exterior, Kitty Radacheck harbours a fierce sensuality, untapped by a powerful husband she can never love. When an exuberant midnight romp leads to a stolen kiss from the mischievous young cavalry captain, Apollo Kuzan, Kitty finds herself victim to a passion so devastating she can't keep herself away from his body, or out of his bed. Apollo, in turn, knows that Kitty is off-limits, but he too finds himself unable to resist her charms. As the two come together for night after night of savage passion, their reckless liaison could cost them more than just Kitty's marriage - it could change the whole fate of the country Apollo is fighting to save.
