

Double Whammy

Robert Clinch loved his boat more than anything else in the world...more than his wife...his kids...his girlfriend...even more than the largemouth bass he was pursuing. Thus begins a twisted tale of murder in the world of big-stakes bass fishing tournaments. Filled with ex-wives, evangelists, and an armed pit-bull, this is a story that could only be concocted by Carl Hiaasen, Pulitzer Prize-winning journalist, New York Times best-selling author, and czar of Florida noir fiction.
