

## Sex, Lies, and Murder 2: House of Croix

We pick up where we left the drama in Part One. Avery has been abducted by his father, Doctor Chauncey Ellis, the father that he thought had died in prison, now the roles have reversed and Avery is locked away in an abandoned warehouse, caged like an animal and forced to confess his sins and experience what his father had to endure because of Avery's lies and secrets. He'd framed his father for murder and now it's his time to face his truths, not only that, but an old friend and new revelation will emerge from the shadows. Avery is confronted with some demons that he thought had been buried with his mother, but Chauncey assures him that everything he thought he knew is not exactly as he'd remembered. Now that Avery is confused, it's the perfect opportunity for Chauncey to move forward with the plan and what Chauncey has planned for Avery, he'd wish he had taken his own life. Meanwhile, Jordynn is frustrated with the way Avery just left without a trace, questioned by the cunning detective Charles, Jordynn has no idea of all of the secrets that Avery holds. Her frustration builds once she receives a hurtful text from Avery, she decides to move on with her life and into the House of Croix with Sebastian. All of Avery's personal and financial affairs began to dismantle revealing some realities that Jordynn never knew existed with him, she is left to pick up the pieces and not without resentment and confusion in her heart which pushes her closer to Sebastian Croix. Jordynn's affair with Sebastian Croix has taken on a whole new life but. From the uninhibited sex, to Sebastian inviting Jordynn to face her inhibitions, the experiences with her will also reveal some truths about him. In the midst of all of the chaos, he's right there to save her, he is her peace and her refuge, But is it out of genuine concern for her? Or is it just part of an underlying scheme? Sebastian Croix is full of mystery, he's calculating, cunning

and always gets his way. He is preparing for the most important event of his life when he makes the decision to move Jordynn into his home to help her rid herself of Avery Ellis for good. There's no secret that Avery and Sebastian despise each other so Avery's disappearance was a very nice way to ease Jordynn from his grip. Did Sebastian have something to do with Avery's disappearance? Or is it just a coincidence that everything is falling right into place, exactly the way Sebastian wanted it? As Part Two of this twisted thriller unfolds, it will uncover the darkness that is Sebastian Croix. Lives will be lost and some will change forever and masks will start to shed and some things thought buried will reveal that they are not. Not everyone is who they claim to be. This book will have you in suspense the whole time while grabbing the edge of your seat! Nothing and no one should be taken at face value. The wheels continue to turn as new characters bring new secrets and are out for their own revenge. Armageddon is here and the lies will be exposed! Welcome Back To the House!
