

The Haunting of Andrew Sharpai

Synopsis: All Andrew Sharpai wanted in life was to find true love. Wandering around the Western United States, he searches for that missing love only to find rejection and haunting memories. Along his journey, he meets LaRae DuFont, a famous show dancer, who tells him a story in which Mary Magdalene thought Jesus was a gardener, teaching Andrew that not everything is as it seems. This lesson will change his life forever. An uncontrollable twist of fate separates the two lovers and leads Andrew to wander again. He finally settles in a small town in eastern Idaho where he encounters the notorious enchantress, Iris Winkle. However, her ex-husband has placed a fiendish curse on Iris and Andrew soon finds himself trapped within the enchantment. Remembering the lesson LaRae taught him may be his only salvation, but will it be enough to save him from the perilous spell? About the Author: Jerome Peterson grew up in Rockford, Illinois. He now lives in Sonora, California with his wife, Carolyn, and their dog, Hazel. Publishers website:<http://www.eloquentbooks.com/TheHauntingofAndrewSharpai.html>
