

Revenge, A Short Story

-----EXCERPT from REVENGE, A SHORT STORY----- His eyes grew wide, It wasn't me, he whined but she slapped him so hard and fast that his head rocked to one side. I know it was you. And now you know that I know. So spare us both your bullshit. We found her, in Morocco. At least we found what was left of her in that old brothel your boss sold her to. By the way, I didn't tell you about the sheikh, did I? She pulled out her iPhone and selected a photo. When he saw it Mo threw up violently. Yeah, I see you get the picture alright. But I got off topic. So, here is what we shall do with you. She picked up the syringe and flicked it across her delicate long fingers. Me and you, we will both take a trip down memory lane. You will re-live every single abduction and torture you did to these girls. You will tell me exactly how you grabbed them, how it all started, what you did to them, and where they are right now. She moved closer to him and lifted his head and wiped off the strings of saliva that were hanging from his chin. And yes you WILL tell me everything, and no I will not have to do anything as quaint as water-board you. -----END of EXCERPT----- As always, your reviews are more than welcome! Let me know what you think. Thank you!
