

Coming Home

Reader reviews: Spellbinding Bloody brilliant wonderful Four thumbs waaaaay up! From the USA Today bestselling author of FINAL EXIT comes an old-fashioned romantic saga about love, marriage, friendship, loss, romance, rock & roll, and a woman's search for herself. One man became her husband. He had the face of an angel, and a voice that could tear your heart to shreds and leave it bleeding. The year is 1974, and songwriter Casey Bradley is just eighteen years old when handsome, charismatic singer Danny Fiore crashes into her life and her heart. The first time she hears Danny sing, Casey is ready to toss away her entire future for a man whose almost certain to break her heart. Danny has a white-hot talent and a single blinding ambition: to become a rock star. The songs that Casey writes send an icy blue finger down the center of his cynical spine. But Danny knows exactly where he's going, and he has no intention of taking any woman along. A girl like Casey would want things he's not prepared to give. A home. Stability. Children. He's married to his music, and that's the way he likes it. Neither of them plans on falling in love. But sometimes, the heart has a mind of its own. The other man became her best friend. Guitar wizard Rob MacKenzie doesn't have Danny's looks, or his charisma, or his sense of style. Tall and gaunt and bony, Rob isn't a god, just an ordinary mortal, an easygoing guy who wants nothing more than to write his songs, play his guitar, and find the right woman. But life is never quite as simple as it seems, and his search for Ms. Right keeps leading him down all the wrong roads. Together, they became the holy trinity of rock and roll. When Rob MacKenzie and Casey Bradley Fiore begin writing songs together, the result is an unstoppable hit-making machine that catapults Danny Fiore to stardom. But the road to success is littered with land mines, and life with Danny isn't all that Casey expected. Rivers of darkness

run through her troubled marriage, and every time Danny breaks her heart, its Rob who picks her up, dusts her off, and glues the pieces back together. When tragedy struck, she had to find herself. It isn't until she suffers an unimaginable loss that Casey begins to question who she is and what she really wants from life. As she searches for herself amid the wreckage, she discovers the bittersweet truth that the choices a woman makes at thirty may differ vastly from those she made at eighteen. Don't miss the love story that readers have called epic, compelling, captivating, and brilliant. THIS BOOK CONTAINS ADULT LANGUAGE AND SITUATIONS.
