

Sins of Mercy: Excess

The sixth installment of the Sins of Mercy series. For the first time in what seems like forever, Mercy is developing a social life. Thanks to her new friend Daisy, Mercy spends an evening out enjoying the company of energetic strangers who flirt with her, share with her their knowledge, and make her feel a little less alone. Yet Mercy shows she's still on her way to healing when she's unable to indulge in the same revelries as everyone else. Luckily there is yet another new friend waiting at home. Excess, the jolly goddess of many kitchen talents. She prepares a feast for Mercy and welcomes the mortal to unload her troubles. In return, Excess unloads on her as well... a bottle of wine full of gluttonous sin! Sins of Mercy is a series of erotic short stories about one woman's reawakening to the world around her through physical pleasure. It features mature themes such as adult relations. Excess is approximately 8,500 words.
