For readers of Karin Slaughter, Lisa Gardner, and James Patterson: A Lucy Guardino FBI Thriller #3 Lucys back! In a story ripped from the headlines, the violence is the worst shes ever seen, the stakes are higher than ever, and then things get personal. Its a vicious, horrific crime: the brutal killing of a teenaged girl. When Pittsburgh detectives call FBI Supervisory Special Agent Lucy Guardino to the scene, their focus is on who and why? Was it the girls Afghan father striving to regain his honor after she became too Westernized? Her Jewish boyfriend? Someone from Afghanistan settling an old grudge? Or one of the many drug cartels the father helped the DEA bring down seeking revenge? Former Marine Sergeant Andre Stone has been home a month, but he has yet to leave the safe haven of his grandmothers house?other than to go to his appointments at the VAs burn clinic. Andres disfiguring physical scars are the least of his worries. The emotional wounds of seeing his men massacred in a DEA raid gone horribly wrong have left him a walking dead man, numb to anything. All he can think about is revenge. On Rashid Raziq, the man behind the raid. When Andre is offered a chance at vengeance, the only question left is: How far will he go to get it? The answers seem clear when Pittsburgh becomes engulfed in flames as a violent narcoterrorist turns the city into a kill zoneBut in the dark of night, surrounded by men intent on destroying the truth, Lucy and Andre both learn that secrets hide in shadows.
