The epic romance of one of the most celebrated poets in the English language. Coming to theatres in September 2009 is the tragic love story of nineteenth-century poet John Keats and the love of his life, Fanny Brawne. Keats died at the young age of twenty-five, leaving behind some of the most exquisite and moving verse and letters ever written, inspired by his deep love for Fanny. Bright Star is a collection of Keats' romantic poems and correspondence in the heat of his passion, and is a dazzling display of a talent cut cruelly short.
