

Bible Camp: The Collection

Tragedy struck years ago at Jacobs Bible Camp, and the scars run deep. Practically abandoned for decades, the camp is now ready to open once more. The first to arrive are a group of young people sent from a church. Their task is to prepare the camp for the children. They never get the chance. Tragedy strikes again, but what comes afterward is worse. Far worse. For slaughter now stalks the camp and no one is safe from the horror. Not the police. Not the FBI. Not anyone. For Thomas Tank Tucker is on the prowl, humongous and strong and deadly, and he hungers to kill any sinners who cross his path. Seemingly indestructible and feeling no pain, Tank Tucker is a serial killer who shows little mercy. Bible Camp: The Collection brings together all five parts of the original Bible Camp e-book series.
