

Star Light, Star Bright

Star Light, Star Bright ... First star he sees tonight ... Who will he choose? Will it be Lily of the light step and glad heart? Pale Lily, whose mother died so long ago? Lily, whos suffered a long and mysterious illness ... Or will it be fatherless Brooke, with her bright copper hair and clever mind? Brooke, always protective of Lily. Brooke, the adventurer ... Twelve years ago Rafe McClure came to FoxHaven in Virginia, ancestral home of the Forsythes. Descended from ancient enemies, Rafe knows tragedy -- and he recognizes it here in this haven, this place of sanctuary and secrets, where foxes are safe but children may not be ... Now Rafe is a man who is loved by two women -- Lily Forsythe Rutledge, who has never left FoxHaven, and Brooke Blair, who has just returned. Though Rafe loves both of these sisters who are not sisters, he loves only one of them as a wife. But there can be no marriage until all the secrets are unearthed and all the truths are told. Star Light, Star Bright ... Which star will he see tonight?
