The acclaimed author of Resurrection Express breaks all the rules in this non-stop suspense thriller packed with killers, comic books, drug lords, and film nerds. For the last five years, Jollie, Andy, and Mark have lived together in a crazy bohemian crash pad in Austin, Texas, immersed in an endless summer of sex, drugs, and rock and roll. But one of them is not what they seem to be. And when that person finally blows a decades-long cover during a violent attack on a powerful Austin dope dealer, all hell breaks loose in the bloody, bullet-riddled aftermath. As the facade of the normal world sizzles away, revealing an ominous shadow league of endemic spies and assassins known only as METRO, Jollie, Andy, and Mark must run like hell into a very dark night, where love and friendship will bind them, a terrifying hatchet man will close in to kill them, and the pitch black truth about everything will be revealed, again and again...
