

Futures Near and Far

Seven futuristic stories from Hugo Award winning author Will McIntosh, including:

A Clown Escapes from Circus Town. Beaners the clown escapes the walls of Circus Town, and discovers what lies beyond Sex Town, Superhero Town, Medieval Town, and all the rest. *A Clown Escapes from Circus Town* first appeared in *Interzone*. *The Perimeter.* An intelligent alien parasite attaches itself to a human colonist and forces her into the wilderness, where it shows her off to fellow parasites. *The Perimeter* was first published by Orbit Books. *Possible Monsters.* Returning to his empty childhood home after giving up on his dream of playing major league baseball, Cooper discovers that a creature from another dimension has taken up residence in his living room. *Possible Monsters* first appeared in *Asimovs Science Fiction*. *Street Hero.* As his town declines into the chaos of the soft apocalypse, Cortez resolves to use his martial arts skills to protect the innocent, but discovers being a hero is more complicated than he thought. *Street Hero* first appeared in *Interzone*. *A Flea Market Vendor Finds Love in a Time of Sleeplessness.* When a virus renders everyone unable to sleep, at all, a flea market vendor falls in love with a woman, but cant be sure if shes real or a walking dream. *A Flea Market Vendor...* first appeared in *NFG*. *The Fantasy Jumper.* At the 2116 Worlds Fair you can pay to watch an android jump from a roof and plunge to her death. You can watch her jump a thousand times, if you want. But what does the android want? *The Fantasy Jumper* was first published in *Black Static*. *Incompatible.* At a church pumpkin sale, Leia seeks solace from the dark affliction that has plagued her since childhood. There she meets a man who has a similar affliction. Theyll have to face their demons together, or live their lives apart.
