

Girl Tweets World Guide To Sydney

Girl Tweets World Guide To Sydney is a stripped back, stylish guide to everything you should see, eat, sip, shop and photograph in Sydney. The 12 chapters of this Sydney travel guide are crammed full of sweet treats, street art, shopping secrets and much more things that don't begin with an S! Penned by award-winning travel blogger, Jayne Gorman, every one of the coffee, cake and cocktail suggestions contained in the book have been diligently and delightfully tested by the author. Not only will this guide show you the best places to enjoy drool-worthy brunches and seaside lunches, but it also includes Jayne's travel blogger tips on where to find the best scenery, sunsets and boast-worthy Sydney photography. For those short of time, Jayne has included a guide to the perfect day in Sydney based on her local experience, plus shares her tips for things to see and do on a weekend jaunt outside the city. There's also advice for places to stay that will suit every budget. All recommendations are dished out in Jayne's usual frank and funny style. So are you ready to get stuck in?
