

## Someone to Love: Vol. 1

If you dont give your heart away, you cant get it broken. When twenty-year-old Kendall Jordan transfers across the country to Garrison University, the last thing shes looking for is a one-night stand. Unfortunately thats exactly what gorgeous Cruise Elton offers. Kendall has long since come to realize that love is an illusion, and Cruise couldnt agree more - but something deep inside her wants him all for herself. So Kendall devises a plan to play the player and proposes that Cruise tutor her in becoming a female version of himself - Garrison Universitys own playboy. But as real feelings emerge, the game gets complicated, and Kendall and Cruise will find themselves questioning everything they thought they knew about love.
