

Tall, Dark, and Lonesome: A Loveswept Classic Romance

Bestselling author Debra Dixon puts her charming spin on the classic cowboy romance in this fresh, funny tale of a reporter, a rancher, and a trail of seduction across the great outdoors. Wyoming native and newspaper columnist Niki Devlin isn't thrilled about following a bunch of city slickers on a vacation cattle drive. She's got a past she's put firmly behind her and a future in New York. All that stands between finishing her job and getting back to her desk is a pair of sexy gray eyes flashing from under the brim of a cowboy hat. The lean, rugged form of trail boss Zack Weston makes Niki want everything she doesn't want: Wyoming, a good man, and love. Zack likes being just a cowboy to Niki. His name, his political ambitions, and his ranching empire are all but forgotten as he rides alongside this beautiful, gutsy woman who makes him realize what he's been missing. Once, tragedy and bitterness drove her away from this place he will always call home. Is the passion they awaken under starry skies enough to convince her that wherever this journey leads them, they belong together? Includes a special message from the editor, as well as excerpts from these Loveswept titles: Remember the Time, The Vow, This Fierce Splendor, The Baron, Lightning That Lingers, Dream Lover, and Legends.
