

Tell the Truth, Shame the Devil

In the wake of a devastating bombing, a father risks everything to find out who was responsible. When Bish Ortle, a suspended cop, receives word that a bus carrying his daughter has been bombed, he rushes to be by her side. A suspect has already been singled out: a 17-year-old girl who has since disappeared from the scene. The press has now revealed that she is the youngest member of one of London's most notorious families. Thirteen years earlier, her grandfather set off a suicide bomb in a grocery store, a bomb her mother confessed to building. Has the girl decided to follow in their footsteps? To find her, Bish must earn the trust of her friends and family, including her infamous mother, now serving a life sentence in prison. But even as he delves into the deadly bus attack that claimed five lives, the ghosts of older crimes become impossible to ignore. A gripping fusion of literary suspense and family drama, *TELL THE TRUTH, SHAME THE DEVIL* is a fast-paced puzzle of a novel that will keep readers feverishly turning pages.
