

The Temple of the Blind (The Temple of the Blind #3)

Having survived the nightmare that he and his friends found hidden within the crumbling ruins of Gilbert House, Albert Cross is newly determined to seek out the answers he has long been denied. He suspects that at least some of those answers may await him in the mysterious underground labyrinth he and Brandy discovered the previous year, the place he calls The Temple of the Blind. But to get there, he and his friends will have to deal with a madwoman, avoid the strange and deadly creatures that prowl the dark passageways and decipher the remaining clues to unlock the temples map. To make matters worse, the man with no eyes awaits them with a very unpleasant demand. Will his friends choose to remain by his side? And will he finally be able to conquer the fear room?
