

TEXASVILLE : A Novel

With *Texasville*, Larry McMurtry returns to the unforgettable Texas town and characters of one of his best-loved books, *The Last Picture Show*. This is a Texas-sized story brimming with home truths of the heart, and men and women we recognize, believe in, and care about deeply. Set in the post-oil-boom 1980s, *Texasville* brings us up to date with Duane, whos got an adoring dog, a sassy wife, a twelve-million-dollar debt, and a hot tub by the pool; Jacy, whos finished playing *Jungla* in Italian movies and whos returned to Thalia; and Sonny -- Duanes teenage rival for Jacys affections -- who owns the car wash, the Kwik-Sackstore, and the video arcade. One of Larry McMurtrys funniest and most touching contemporary novels.
