ANNOTATED:\* Contains extensive historical materials\* Contains additional biographical materials  
OVERVIEW:Of all the characters that American literature has ever produced, perhaps none are as memorable as Tom Sawyer and Huckleberry Finn. This handsomely produced volume contains Mark Twains original version of The Adventures of Tom Sawyer, a novel has been enjoyed by children for the over 100 hundred years, but which contains enough fascinating and searing social commentary to provide illumination and insights for well into the next century. A true masterpiece of American, and indeed, world literature.  
SPECIAL KINDLE ENABLED FEATURES:This edition has special Kindle enabled features, including interactive table of contents, text-to-speech capabilities which enable audiobook features, as well as words that can be looked up on the Kindle supplied built in dictionary
