

## The Alpine Uproar: An Emma Lord Mystery

Picturesque Alpine is no longer the brawling logging town of yesteryear. So when a drunken fight at the Icicle Creek Tavern leaves a loner named Alvin De Muth dead, the residents feel as if they've gone back to the Bad Old Days. The inquiry into the incident should be a no-brainer, but since the witnesses were half-tanked at the time, Sheriff Milo Dodge is left with conflicting stories. But soon Emma Lord, editor and publisher of The Alpine Advocate, has an even bigger story to report: a heartbreaking highway accident that leaves two people dead and one on life support. Rumors are flying: Are the two tragedies linked in some inexplicable way? Assisted by that human bulldozer Vida Runkel, the Advocates House & Home editor, Emma goes for the gold.
