

# The Avenger: Roaring Heart of the Crucible

The greatest crime-fighter of the 40s returns in a third thrilling collection of original action-packed tales of adventure, intrigue, and revenge. Life was bliss for millionaire adventurer Richard Henry Benson until that fateful day crime and greed took away his wife and young daughter and turned him into something more than human. Driven by loss, compelled by grief, he becomes a chilled impersonal force of justice, more machine than man, dedicated to the destruction of evildoers everywhere. A figure of ice and steel, more pitiless than both, Benson has been forged into an avatar of vengeance, possessed of superhuman genius supernatural power. His frozen face and pale eyes, like a polar dawn, only hint at the terrible force the underworld heedlessly invoked upon itself the day they created The Avenger!
