

Love and Protect (Heroes of Evers, Texas Book 1)

Laura Kensington is a desperate woman. She knows that if she doesn't flee, not only is her life in danger, so is the life of her unborn child. With everything to lose, she flees to Evers, Texas with a new identity, taking refuge on the ranch of Cade Bishop, a man who firmly believes in second chances. Drawn to Cade, Laura finds comfort in his passion and his love, yet she fears he sees her as merely another needy case. But when her past resurfaces, bringing grave peril into her world once more, Cade is Laura's only hope. Relentless enemies, ones both anticipated and unexpected, are drawing closer by the day, ensnaring her in a deadly web of deception, betrayal, and murder. And her only chance to break free lies in Cade's powerful will, unrelenting protection, and loving heart. NOTE: This book was previously published as Ever Hopeful
