

THE BEAR SHIFTER SHERIFF: Alpha Male Werebear Romance Book 3 (Paranormal Bear Shifter Short Stories)

Whats a bear to do when his alpha dominance is challenged by a sassy and beautiful woman? From the popular author who brought you Bear Shifters Best Friend and The Bears Arranged Mate, Alexis Diamond is back with this latest steamy, hot werebear romance! Book 3 of this spicy shifter romance! Nick is the bear shifter sheriff of Sutfield and he has his town under control. He has rules and routines that the humans follow, and he protects his territory from the preternatural creatures the way he should. Hes king of his domain and no one challenges his authority. Until Harley comes along and turns everything upside down. From the moment she sets foot in his town trouble follows her, and Nick has to put out fires as far as she goes. The town doesnt take to her, and his bear takes to her too well. When a rogue wolf starts following her around the problems rise to a new level, and Nick is set on nipping it in the bud before it goes too far. The only problem is Harley. He cant seem to get her to stay in line, and he cant get rid of her, either... Hes not even sure he wants to. Harley is beautiful, fiery, mouthy, and crazy and Nicks world is about to change forever... For fans of T.S. Joyce and Terry Bolryder!
