

The Beggars Garden: Short Story

In the titular story of Michael Christies critically acclaimed debut collection, *The Beggars Garden*, Sam Prince moves into the shed behind his house as his marriage falls apart. He meets a local panhandler and tries to help him sort out his life even though he can't find the courage to fix his own. *The Beggars Garden* follows a diverse group of characters, from a bank manager to a drug addict to a retired Samaritan, a web designer, and a car thief, as they drift through each others lives in Vancouvers Downtown Eastside. Michael Christies darkly funny debut collection won the Vancouver Book Award; it was longlisted for the Scotiabank Giller Prize and was a finalist for the Rogers Writers Trust Fiction Prize.
