\*\*\*LIMITED TIME SALE\*\*\* After being publicly humiliated and dumped by her fiancé, the last thing on Ellie's mind is romance. When her little sister asks her to fill in as an extra on a dating show, she gets more than she bargains for when she wins a date with the country's most eligible billionaire bachelor, Caine Malone. Known as THE bad boy of Miami, Ellie sees Caine as the perfect opportunity to publicly move on from her last relationship disaster, while making her ex jealous. And Caine, a self-made billionaire who isn't exactly how the press represents him, sees Ellie as the perfect woman to help him maintain his playboy image in the media. Although the two of them have no plans for romance, Ellie and Caine begin to fall for each other, realizing that they can't control what their hearts desire: love. An gripping short read!
