

The Bizarro Starter Kit (Orange)

There's a new genre rising from the underground. Its name: BIZARRO. For years, readers have been asking for a category of fiction dedicated to the weird, crazy, cult side of storytelling that has become a staple in the film industry (with directors such as David Lynch, Takashi Miike, Tim Burton, and Lloyd Kaufman) but has been largely ignored in the literary world, until now. The Bizarro Starter Kit features short novels and story collections by ten of the leading authors in the bizarro genre: D. Harlan Wilson, Carlton Mellick III, Jeremy Robert Johnson, Kevin L. Donihe, Gina Ranalli, Andre Duza, Vincent W. Sakowski, Steve Beard, John Edward Lawson, and Bruce Taylor.
