

## Love in the Rain (Modern Arabic Novels (Hardcover))

Set in Cairo in the aftermath of the Six-Day War of 1967, *Love in the Rain* introduces us to an assortment of characters who, each in his or her own way, experience the effects of this calamitous event. The war and its casualties, as well as peoples foibles and the tragedies they create for themselves, raise existential questions that cannot easily be answered. In a frank, sensitive treatment of everything from patriotism to prostitution, homosexuality and lesbianism, *Love in the Rain* presents a struggle between old and new in the realm of moral values that leaves the future in doubt. Through the dilemmas and heartbreaks faced by his protagonists, Mahfouz exposes the hypocrisy of those who condemn any breach of sexual morality while turning a blind eye to violence, corruption, and oppression.
